

Get a WaveGen built-in function generator with the InfiniiVision X-Series

**For Education
Customers
only**

For a limited time, when you buy one or more new InfiniiVision 2000 or 3000 X-Series oscilloscopes, you can receive a complimentary industry-exclusive WaveGen built-in 20-MHz function generator (Option DSOX2WAVEGEN or DSOX3WAVEGEN) and a complimentary education oscilloscope training kit (DSOXEDK) for each oscilloscope purchased. Contact your local Agilent-authorized distributor and reference promotion code 5.831 to take advantage of this offer. [more...](#)
